## **PRESS STATEMENT**

The Management of Storm Mountain Diamonds (Pty) Ltd – Kao wishes to notify the public of perpetrators who claim to offer jobs at the mine and swindle money from jobseekers. The modus operandi of these scammers is to falsely claim that they are either employees or contractors at Storm Mountain Diamonds (Pty) Ltd (KAO Mine), subsequently requesting the unsuspecting victims to transfer funds either through electronic platforms, mobile applications or cash payments for them to receive employment without having correctly applied for any mentioned job posts.

Job seekers are warned to refrain from paying for jobs, as this is not a prerequisite to acquire a job at our organization. Our recruitment processes are very clear and concise, vacancies are advertised on local newspapers and on our social media platforms being Facebook “Storm Mountain Diamonds - Kao” and Twitter “@SMD\_KAO”. Our applicants are always required to send their applications for advertised positions to [applications@stormmountaindiamonds.com](mailto:applications@stormmountaindiamonds.com) or to hand deliver their applications to our offices in Maseru. These are the only legitimate and recognized processes.

Citizens are urged to enquire first at the organization should they have any suspicions about advertised positions on +266 52555555 or [applications@stormmountaindiamonds.com](mailto:applications@stormmountaindiamonds.com) .

Those that have been affected are advised to report the matter to the Police
